# MILE HIGH MMAYHEM

## A NEW CHAPTER

The Denver Children's Foundation (DCF) is thrilled to announce the highly anticipated comeback of

## MILE HIGH MMAYHEM!

Proceeds from Mile High MMAyhem will benefit Denver Children's Foundation and Colorado charities that transform the lives of at-risk and disadvantaged youth. Our mission targets underserved youth in the most marginalized segments of our community.

We're proud to lead an event that has given back more than \$1.5 million to our community. Mile High MMAyhem's proven impact has reached far and wide under the past direction of the Mile High Five Foundation, supporting educational and health resources for children in need. Now, under new leadership, we're excited to bring the energy back and make this year's event the most meaningful one yet.

On behalf of Denver Children's Foundation, thank you for your continued generosity and commitment. We can't wait to celebrate with you and make an even bigger impact.

Together, let's make 2025 MHM unforgettable.

With Gratitude,

Nick Pirnack, President  
The Denver Children's Foundation
